

THE H.I.R.E. INITIATIVE

A GOOD LIFE

A good life is not measured
by being greater than another.

*It is measured by the good
we choose to give.*

Live honestly.
Stand with integrity.
Treat every person with respect.
Protect the equal worth of every human life.

Face your faults.
Build upon your gifts.
Have the courage to change.

Learn from those who walked before you,
then leave a path for those who follow.

What you learn is not yours to keep.
What you are given is not meant to end with you.

Use your strength to strengthen another.

THAT IS THE MISSION

To become better.
To help another rise.
To leave the world better than you found it.

Be the stone.

Let your life create ripples no one can deny.

LEARN IT. LIVE IT. GIVE IT.
